RFQ-PAP-20-0031

Purchase of Supplies for Laboratory

1. Synopsis of the Request for Quotation

DAI, implementer of the USAID funded Water and Sanitation Project invites qualified vendors to submit quotations to purchase and deliver **Supplies for Laboratory** as follows:

1.	RFQ No.	RFQ-PAP-20-0031
2.	Issue Date	August 25, 2020
3.	Title	Purchase of Supplies for Laboratory
4.	Issuing Office & Email/Physical Address for	Water and Sanitation Project, 48, GN Plaza, 2e Floor, Rue Metelus, Petion-Ville, Haiti
	Submission of Quotes	SWSH_info@dai.com
5.	Deadline for Receipt of Quotes.	September 8, 2020 at 4 PM. Submit hard copy quotes in the physical address mentioned above or electronic via the following address email: SWSH_procurement@dai.com
6.	Point of Contact	For any contact or questions for clarification, send formal email to the following: SWSH_info@dai.com Questions of clarification can be asking no later than September 1st, 2020 at 3:00 PM
7.	Anticipated Award Type	Firm Fixed Price Purchase Order. Issuance of this RFQ in no way obligates DAI to award a subcontract or purchase order and Bidders will not be reimbursed for any costs associated with the preparation of their quote.
8.	Basis for Award	An award will be made to the responsible bidder whose bid is responsive to the terms of the RFQ and is most advantageous to DAI, considering price or/and other factors included in the RFQ. To be considered for award, bidders must meet the requirements identified in Section 12, "Determination of Responsibility". No discussions or negotiations are permitted with bidders, and therefore bidders shall submit their best and final price.

2. Request for Quotation

9. General Instructions to Bidders	 The due date to submit quotes is September 8, 2020 at 4:00 PM. Late offers will be rejected except under extraordinary circumstances at DAI's discretion. Bidders shall submit quotes: 48, GN Plaza, 2e Floor, Rue Metelus, Petion-Ville, Haiti or SWSH procurement@dai.com Include a statement that the vendor fully understands that their quote must be valid for a period of 90 days. Bidders shall sign and date their quotation. Bidders shall complete Attachment A: Price Schedule template. Value Added Tax (VAT) shall be included on a separate line. These services are not eligible for VAT exemption under the DAI prime contract.
10. Questions Regarding the RFQ	Each Bidder is responsible for reading very carefully and understanding fully the terms and conditions of this RFQ. All communications regarding this solicitation are to be made solely through the Issuing Office and must be submitted via email or in writing delivered to the Issuing Office no later than the date specified above. All questions received will be compiled and answered in writing and distributed to all interested Bidders.
11. Technical Specifications and requirements for Technical Acceptability	 Provide a detailed list of technical specifications or requirements for the goods to be provided with the unit price, use Attachment A. Supplier can submit in whole or in part to this RFQ depending on his availability or his specialty
12. Determination of Responsibility	 DAI will not enter into any type of agreement with a vendor prior to ensuring the vendor's responsibility. When assessing a vendor's responsibility, the following factors are taken into consideration: 1. Provide copies of the required business licenses to operate in the host country. 2. Evidence of a DUNS number (explained below and instructions contained in the Annex D). 3. The source, origin and nationality of the services are not from a Prohibited Country (explained below). 4. Ability to comply with required or proposed delivery or performance schedules.
13. Geographic Code	 Under the authorized geographic code for its contract DAI may only procure goods and services from the following countries.

	 Geographic Code 935: Goods and services from any area or country including the cooperating country but excluding Prohibited Countries. DAI must verify the source, nationality and origin, of goods and services and ensure (to the fullest extent possible) that DAI does not procure any services from prohibited countries listed by the Office of Foreign Assets Control (OFAC) as sanctioned countries. The current list of countries under comprehensive sanctions include: Cuba, Iran, North Korea, Sudan, and Syria. DAI is prohibited from facilitating any transaction by a third party if that transaction would be prohibited if performed by DAI. By submitting a quote in response to this RFQ, Bidders confirm that they are not violating the Source and Nationality requirements and that the services comply with the Geographic Code and the exclusions for prohibited countries.
14. Data Universal Numbering System (DUNS)	All U.S. and foreign organizations which receive first-tier subcontracts/ purchase orders with a value of \$30,000 and above are required to obtain a DUNS number prior to signing of the agreement. Organizations are exempt from this requirement if the gross income received from all sources in the previous tax year was under \$300,000. DAI requires that Bidders sign the self-certification statement if the Bidder claims exemption for this reason.
	For those required to obtain a DUNS number, you may request Attachment D: Instructions for Obtaining a DUNS Number. For those not required to obtain a DUNS number, you may request Attachment E: Self-Certification for Exemption from DUNS Requirement
15. Compliance with Terms and Conditions	Bidder shall be aware of the general terms and conditions for an award resulting from this RFQ. The selected Bidder shall comply with all Representations and Certifications of Compliance listed in Attachment B.
16. Procurement Ethics	By submitting a Bid, Bidders certify that they have not/will not attempt to bribe or make any payments to DAI employees in return for preference, nor have any payments with Terrorists, or groups supporting Terrorists, been attempted. Any such practice constitutes an unethical, illegal, and corrupt practice and either the Bidders or the DAI staff may report violations to the Toll-Free Ethics and Compliance Anonymous Hotline at +1 855-603-6987, via the DAI website, or via email to FPI_hotline@dai.com.

Item: # 55- Aluminum block 36" x 36 " (36 holes)

INSTRUCTIONS FOR OBTAINING A DUNS NUMBER

Note: There is a Mandatory Requirement for your Organization to Provide a DUNS number to DAI

- I. SUBCONTRACTS/PURCHASE ORDERS: All domestic and foreign organizations which receive first-tier subcontracts/ purchase orders with a value of \$30,000 and above are required to obtain a DUNS number <u>prior</u> to signing of the agreement. Your organization is exempt from this requirement if the gross income received from all sources in the previous tax year was under \$300,000. Please see the self-certification form attached.
- **II. MONETARY GRANTS:** All foreign entities receiving first-tier monetary grants (standard, simplified and FOGs) with a value equal to or over \$25,000 and performing work outside the U.S. must obtain a DUNS number <u>prior</u> to signing of the grant. All U.S. organizations who are recipients of first-tier monetary grants of any value are required to obtain a DUNS number; the exemption for under \$25,000 applies to foreign organizations only.

NO SUBCONTRACTS/POs (\$30,000 + above) or MONETARY GRANTS WILL BE SIGNED BY DAI WITHOUT PRIOR RECEIPT OF A DUNS NUMBER.

Note: The determination of a successful offeror/applicant resulting from this RFP/RFQ/RFA is contingent upon the winner providing a DUNS number to DAI. Organizations who fail to provide a DUNS number will not receive an award and DAI will select an alternate vendor/subcontractor/grantee.

Background:

Summary of Current U.S. Government Requirements- DUNS

The Data Universal Numbering System (DUNS) is a system developed and managed by Dun and Bradstreet that assigns a unique nine-digit identifier to a business entity. It is a common standard world-wide and users include the U.S. Government, European Commission and the United Nations. The DUNS number will be used to better identify related organizations that are receiving U.S. federal funding, and to provide consistent name and address data for electronic application systems.

Instructions detailing the process to be followed in order to obtain a DUNs number for your organization begin on the next page.

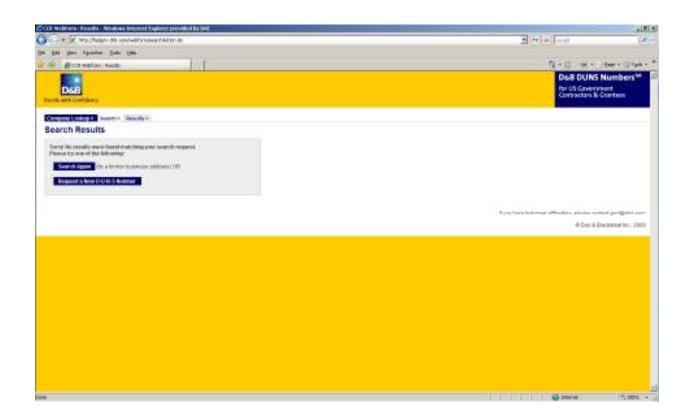

THE PROCESS FOR OBTAINING A DUNS NUMBER IS OUTLINED BELOW:

1. Log on to the D&B (Dun & Bradstreet) DUNS registration website to begin the process of obtaining a DUNS number free of charge.

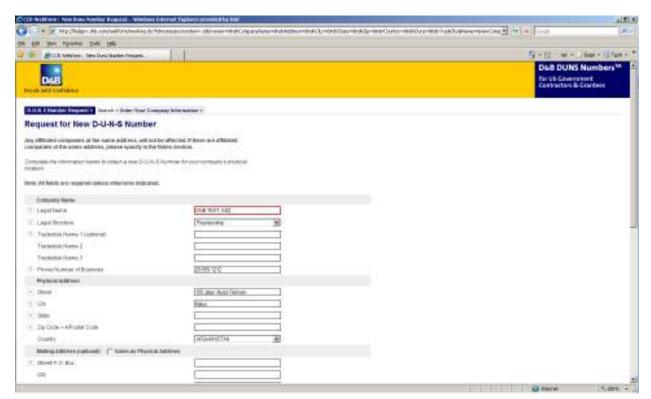

http://fedgov.dnb.com/webform/index.jsp

Please note there is a bar on the left for Frequently Asked Questions as well as emails and telephone numbers for persons at Dun & Bradstreet for you to contact if you have any questions or difficulties completing the application on-line. DAI is not authorized to complete the application on your organization's behalf; the required data must be entered by an authorized official of your organization.

- 2. Select the Country where your company is physically located.
- 3. You will first be asked to search the existing DUNS database to see whether a DUNS number already exists for your organization/entity. Subcontractors/grantees who already have a DUNS number may verify/update their DUNS records.
- 4. Potential DAI subcontractors/vendors/grantees who do not already have a DUNS number will be shown the screen below. To request a new DUNS Number, the "Request a New D-U-N-S Number" button needs to be selected.

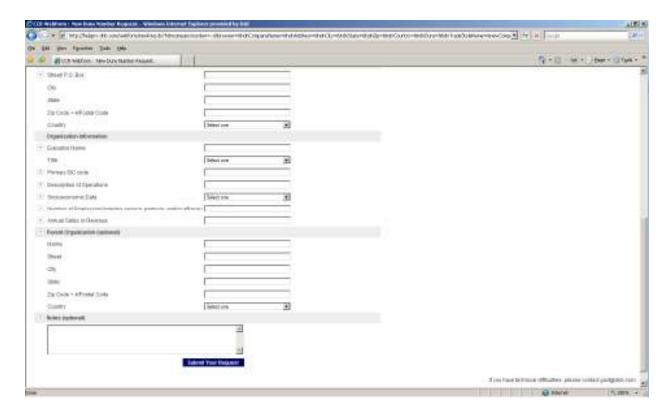

- 5. Enter the information regarding your organization listed on the next three screens. (See screen shots below.) Make sure you have the following information available (in English) prior to beginning the process of entering this section in order to ensure successful registration.
 - ➤ Legal Business Name (commas are allowed, periods are not allowed)
 - Address
 - Phone
 - Name of Owner/Executive
 - > Total Number of Employees
 - Annual Sales or Revenue (US Dollar equivalent)
 - Description of Operations
- 6. Note that some fields are Optional, however all other fields must be completed to proceed further with the application process. For example, all applicants must complete the Organization Information sections. The Company Name and Physical Address fields are self-populated based on information previously entered during the initial DUNS search. The question marks to the left of the field provide additional information when you click on them.

- 7. You must select the legal structure of your organization from the pull down menu. To assist you in selecting the appropriate structure that best represents your organization, a brief description of the various types follows:
 - Corporation A firm that meets certain legal requirements to be chartered by the state/province in which it is headquartered by the filing of articles of incorporation. A corporation is considered by law to be an entity separate and distinct from its owners. It can be taxed; it can be sued; it can enter into contractual agreements.
 - Government central, province/state, district, municipal and other U.S. or local government entities. Includes universities, schools and vocational centers owned and operated by the government.
 - Limited Liability Company (LLC) This is a type of business ownership combining several features of corporation and partnership structures. It is designed to provide the limited liability features of a corporation and the tax efficiencies and operational flexibility of a partnership. Its owners have limited personal liability for the LLC's debts and obligations, similar to the status of shareholders in a corporation. If your firm is an LLC, this will be noted on the organizations registration and licensing documents.
 - Non-profit An entity which exists for charitable reasons and is not conducted or maintained
 for the purpose of making a profit. Any money earned must be retained by the organization,
 and used for its own expenses, operations, and programs. Most organizations which are
 registered in the host country as a non-governmental organization (NGO) rather than as a
 commercial business are anon-profit entities.

Community based organizations, trade associations, community development councils, and similar entities which are not organized as a profit making organization should select this status, even if your organization is not registered formally in country as an NGO.

- Partnership- a legal form of operation in which two or more individuals carry on a continuing business for profit as co-owners. The profits and losses are shared proportionally.
- **Proprietorship**-These firms are owned by one person, usually the individual who has day-to-day responsibility for running the business. Sole proprietors own all the assets of the business and the profits generated by it.
- 8. One of the most important fields that must be filled in is the Primary SIC code field. (See screen shot below.) The Primary Standard Industrial Code classifies the business' most relevant industry and function.

9. If you are unsure of which SIC Code your organization's core business falls under, please refer to the following website: http://www.osha.gov/oshstats/sicser.html

You will need to enter certain keywords to bring up the potential SIC Codes. In the case above, "Research" was entered as the keyword, and resulted in the following:

PLEASE NOTE: Many of the DAI subcontractors and grantees fall under one of the following SIC codes:

8742 Management Consulting Services

1542 General Contractors-Nonresidential Buildings, Other than Industrial Buildings and Warehouses or one of the codes within:

Industry Group 357: Computer And Office Equipment

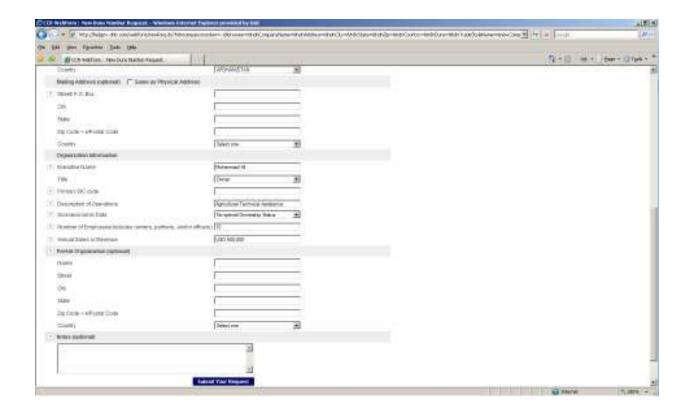

Industry Group 355: Special Industry Machinery, Except Metalworking

Industry Group 356: General Industrial Machinery And Equipment

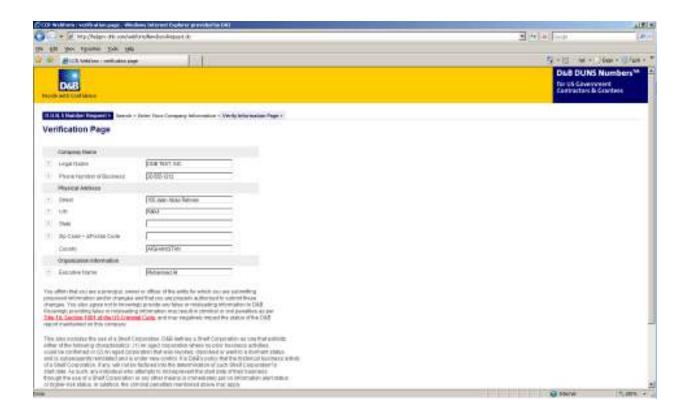

Industry Group 359: Miscellaneous Industrial And Commercial

10. Description of Operations- Enter a brief description of the primary services you provide the example below, "agricultural technical assistance" was chosen as the primary function of the business.

- 11. The Annual Sales or Revenue figure should be provided in USD (US Dollar) equivalent.
- 12. Once all of the fields have been completed, click on "Submit Your Request" to be taken to the Verification page.
- 13. Note: Representative (Principal, Owner or Officer) needs to verify and provide affirmation regarding the accuracy of the data under criminal or civil penalties as per Title 18, Section 1001 of the US Criminal Code.
- 14. Once "Yes, Continue" button is clicked, the registration application is sent to D&B, and a DUNS number should be available within 24-48 hours. DUNS database can be checked in 24-48 hours by entering the Business Information in the Search window which should now display a valid result with the new DUNS number for the entity.
