***** ETHICAL AND BUSINESS CONDUCT REQUIREMENTS *****

Chemonics is committed to integrity in procurement, and only selects suppliers based on objective business criteria such as price and technical merit. Chemonics expects suppliers to comply with our Standards of Business Conduct, available at <https://www.chemonics.com/our-approach/standards-business-conduct/>

Chemonics does not tolerate fraud, collusion among offerors, falsified proposals/bids, bribery, or kickbacks. Any firm or individual violating these standards will be disqualified from this procurement, barred from future procurement opportunities, and may be reported to both USAID and the Office of the Inspector General.

Employees and agents of Chemonics are strictly prohibited from asking for or accepting any money, fee, commission, credit, gift, gratuity, object of value or compensation from current or potential vendors or suppliers in exchange for or as a reward for business. Employees and agents engaging in this conduct are subject to termination and will be reported to USAID and the Office of the Inspector General. In addition, Chemonics will inform USAID and the Office of the Inspector General of any supplier offers of money, fee, commission, credit, gift, gratuity, object of value, or compensation to obtain business.

Offerors responding to this RFQ must include the following as part of the proposal submission:

- Disclose any close, familial, or financial relationships with Chemonics or project staff. For example, if an offeror's cousin is employed by the project, the offeror must state this.
- Disclose any family or financial relationship with other offerors submitting proposals. For example, if the offeror's father owns a company that is submitting another proposal, the offeror must state this.
- Certify that the prices in the offer have been arrived at independently, without any consultation, communication, or agreement with any other offeror or competitor for the purpose of restricting competition.
- Certify that all information in the proposal and all supporting documentation are authentic and accurate.
- Certify understanding and agreement to Chemonics' prohibitions against fraud, bribery and kickbacks.

Please contact businessconduct@chemonics.com with any questions or concerns regarding the above information or to report any potential violations. Potential violations may also be reported directly to Chemonics' Headquarters office through the contact information listed on the website found at the hyperlink above

Section 1: Instructions to Offerors

1. **Introduction:** The Global Health Supply Chain-Procurement and Supply Management (GHSC-PSM) Project is a USAID program implemented by Chemonics Foundation Haiti (hereinafter referred to as “Chemonics”). The goal of the GHSC-PSM project is to ensure uninterrupted supplies of health commodities to prevent suffering, save lives, and create a brighter future for families around the world. In Haiti, the IDIQ has three task orders that directly support the Presidential Emergency Plan for AIDS Relief (PEPFAR) USAID’s population and reproductive health program and USAID’s Maternal and Child Care program. We are providing health commodity procurement services and systems strengthening technical assistance that encompass all elements of a comprehensive supply chain. To support the project activities, GHSC-PSM requires a suite of security services. The purpose of this RFQ is to solicit quotations for these items.

The selected firm will:

- i) assess risk to Chemonics’ operations in three areas of interest: armed conflict, crime (including kidnapping), and civil unrest in preparation for project staff travel to locations of the project’s interest.
- ii) provide Mobile Security Teams to transport Chemonics personnel while traveling within Port au-Prince and other locations in Haiti.
- iii) provide crisis management support services including options for relocation and evacuation.

Offerors are responsible for ensuring that their offers are received by Chemonics in accordance with the instructions, terms, and conditions described in this RFQ. Failure to adhere with instructions described in this RFQ may lead to disqualification of an offer from consideration.

2. **Offer Deadline and Protocol:** Offers must be received no later than 5:00 p.m. local Port-au-Prince time on December 20, 2024, by email. Any emailed offers must be emailed to psmhaitiachat@ghsc-psm.org and isaliba@chemonics.com.

Please reference the RFQ number in any response to this RFQ. Offers received after the specified time and date will be considered late and will be considered only at the discretion of Chemonics.

3. **Questions:** Questions regarding the technical or administrative requirements of this RFQ may be submitted no later than 5:00 p.m. local Port-au-Prince time on December 12, 2024, by email to psmhaitiachat@ghsc-psm.org and isaliba@chemonics.com. Questions must be submitted in writing; phone calls will not be accepted. Questions and requests for clarification—and the responses thereto—that Chemonics believes may be of interest to other offerors will be circulated to all RFQ recipients who have indicated an interest in bidding.

Only the written answers issued by Chemonics will be considered official and carry weight in the RFQ process and subsequent evaluation. Any verbal information received from employees of Chemonics or any other entity should not be considered as an official response to any questions regarding this RFQ.

4. **Scope of Work:** Section 3 contains the Scope of Work for the required work for the services that might be ordered under this RFQ and the technical qualifications that the selected offeror must possess.

5. **Quotations**: Quotations in response to this RFQ must be priced on a fixed-price, all-inclusive basis, including delivery and all other costs. Prices must be inclusive of the following costs: salaries, fringe, overhead costs, equipment maintenance, fee, and insurance (including worker's compensation insurance mandated by U.S. Defense Base Act (DBA insurance)). Pricing must be presented in USD. Offers must remain valid for not less than ninety (90) calendar days after the offer deadline. Offerors are requested to provide quotations on their official quotation format or letterhead; in the event this is not possible, offerors may complete the table in Section 3(B).

In addition, offerors responding to this RFQ are requested to submit the following:

- Organizations responding to this RFQ are requested to submit a copy of their official registration or business license.
 - Cover letter, signed by an authorized representative of the offeror (see Section 4 for template)
 - Copy of armed protective security officers/drivers' valid license to carry and use a weapon
 - Copy of required licenses and official registration to operate a security firm within Haiti.
 - Copy of offeror's registration or business license if separate and different from registration in Haiti.
 - Three (3) past performance references for the delivery of services similar to the type contemplated in this solicitation, including a description of the services provided and contact information with telephone and email address. The past performance references must include contact information with telephone and email.
 - Company policies governing duty of care and/or that restrict services being offered to include policies on usage of firearms, licensing, and liability including copy of Escalation of Force or Use of Force policies.
 - Communications Protocol - Description of the communication's protocol between the security detail and operations room that provides oversight/supervision/support to them, outlining the offeror's response capabilities in the event of an emergency, including 1) speed of response (where stationed, distance from facilities) and; 2) how offeror would respond (number of people, if response force is armed, etc.).
 - Proof of training and/or certifications associated with providing security services.
 - Signed certification stating the offeror's detailed current level of insurance coverage which should include but is not limited to Defense Based Act (DBA) worker's compensation, Comprehensive General Liability, Automobile Liability, and Umbrella insurances (i.e. any supplemental coverages for large amount liability cases, or other cases that fall outside of more specific insurance coverages).
 - Official quotation, including any cost notes (see Section 3 for requirements)
 - CVs for all proposed personnel
 - The price quotation be submitted separately from above documents. All other parts of this quotation must not make reference to pricing data so that the technical evaluation may be made strictly on the basis of technical merit.
6. **Delivery time frame**: As part of its response to this RFQ, each offeror is expected to provide an estimate (in calendar days) of the delivery timeframe (after receipt of order) for each of the services included in Section 3 – Scope of Work and Pricing Schedule. The delivery estimate presented in an offer in response to this RFQ must be upheld in the performance of any resulting contract.
7. **Source/Nationality/Manufacture**: All goods and services offered in response to this RFQ or supplied under any resulting award must meet **USAID Geographic Code 935** in accordance with

the United States Code of Federal Regulations (CFR), [22 CFR §228](#). The cooperating country for this RFQ is Haiti.

Offerors may not offer or supply any commodities or services that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, and Syria.

Any and all items that are made by Huawei Technology Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, Dahua Technology Company will not be accepted. If quotes include items from these entities, please note that they will be deemed not technically responsive, and excluded from competition.

8. Taxes and VAT:

The USAID-funded project under which this procurement is financed does not permit the financing of any taxes, TCA, tariffs, duties, or other levies imposed by any laws in effect in the Cooperating Country, and in accordance with the bilateral agreement between the Government of the United States and the Government of Haiti, Chemonics will submit the subsequent subcontract for exemption by the Cooperating Country government.

Therefore, Offerors are requested to submit quotations with any taxes, TCA, tariffs, duties, or other levies imposed by the laws in effect in the Cooperating Country(ies) clearly identified separately from the offered price.

Any resultant subcontract shall be priced as free and exempt from any taxes, TCA, tariffs, duties, or other levies imposed by the laws in effect in the Cooperating Country(ies). The Offeror shall not charge any host country taxes, TCA, tariffs, duties, levies, etc. from which this USAID program is exempt. In the event that any exempt charges are paid by the Subcontractor, they will not be reimbursed to the Subcontractor by Chemonics unless approved in advance in writing by Chemonics. The Subcontractor shall immediately notify Chemonics if any such exempt taxes are assessed against the Subcontractor or its subcontractors/Subcontractors at any tier.

Under any resultant subcontract, the Subcontractor shall be responsible for payment of all applicable taxes, as prescribed under the applicable laws, associated with wages/salaries/compensation for services rendered by individuals employed by the Subcontractor and who are directed to work as required under this Subcontract. The Subcontractor is liable for payment of all applicable taxes associated with revenues (profit), and other such taxes, fees, or dues for which the Subcontractor is normally responsible as a result of operating its business.

9. **Eligibility:** By submitting an offer in response to this RFQ, the offeror certifies that it and its principal officers are not debarred, suspended, or otherwise considered ineligible for an award by the U.S. Government. Chemonics will not award a contract to any firm that is debarred, suspended, or considered to be ineligible by the U.S. Government.
10. **UEI Number:** Companies or organizations, whether for-profit or non-profit, shall be requested to provide a Unique Entity Identifier (UEI) number if selected to receive an award in response to this RFQ valued greater than or equal to USD \$30,000 (or equivalent in other currency). If the Offeror

does not have a UEI number and is unable to obtain one before RFQ submission deadline, Offeror shall include a statement noting their intention to obtain a UEI number should it be selected as the successful offeror or explaining why obtaining a UEI number is not possible. Contact sam.gov to obtain a number. Guidance on obtaining a UEI number is available from Chemonics upon request

11. **Evaluation and Award:**

An award will be made to the offeror whose proposal is determined to be responsive to this solicitation document, meets the eligibility criteria stated in this RFQ, meets the technical, management/personnel, and corporate capability requirements, and is determined to represent the best value to Chemonics. Best value will be decided using the tradeoff process.

This RFQ will use the tradeoff process to determine best value as set forth in FAR 15.101-1. That means that each proposal will be evaluated and scored against the evaluation criteria and evaluation sub-criteria, which are stated in the table below. Chemonics will award a subcontract to the offeror whose proposal represents the best value to Chemonics and the GHSC-PSM Haiti project. Chemonics may award a higher priced offeror if a determination is made that the higher technical evaluation of that offeror merits the additional cost/price. Evaluation points will not be awarded for cost, but for overall evaluation purposes of this RFP, technical evaluation factors other than cost, when combined, are considered significantly more important than cost factors. Cost will primarily be evaluated for realism and reasonableness. If technical scores are determined to be nearly equal, cost will become the determining factor.

In evaluating proposals, Chemonics will use the following evaluation criteria and sub-criteria:

Evaluation Criteria	Evaluation Sub-criteria	Maximum Points
Technical Approach, Methodology, and Detailed Work Plan		
	Technical know-how Does the quotation clearly explain, understand and respond to the objectives of the project as stated in the Scope of Work? Does the proposal clearly explain and demonstrate an appropriate degree of staffing and operational management strategy through a detailed description of their personnel vetting process, training regime, sourcing of talent, oversight structure (with supervisors, and support to supervisors), training for assigned personnel and operations room management and Standard Operating Procedures description. Does the proposal clearly describe their communications protocol and incident reporting structure?	20 points
	Sector Knowledge – Chemonics will assess whether the offer demonstrate the offeror’s knowledge related to the Haitian security context, route security assessments, incident response, and supporting armed mobile security teams?	10 points

	Approach and Methodology – Does the proposed implementation approach and detailed activities and timeline fulfill the security assessments and the provision for MSTs meeting the requirements defined in the Scope of Work effectively and efficiently?	5 points
Total Points – Technical Approach		35 points
Management, Key Personnel, and Staffing Plan		
	Personnel Qualifications – Chemonics will evaluate whether the proposed team members have necessary experience and capabilities to carry out the scope of work?	15 points
Total Points – Management		15 points
Corporate Capabilities, Experience, and Past Performance		
	Company Background and Experience – Chemonics will evaluate whether the company have Haiti specific experience relevant to the project Scope of Work and assign score in comparison with all submitted offers?	25 points
	<p>Chemonics will assess the past performance of the Offerors by contacting three references who may indicate the Offeror's past performance for projects of similar size and scope in Haiti. Offerors must include 3 past performance references of similar work (under contracts or subcontracts) previously implemented as well as contact information for the companies for which such work was completed. Contact information must include at a minimum: name of point of contact who can speak to the offeror's performance, name and address of the company for which the work was performed, and email and phone number of the point of contact.</p> <p>For companies that have provided services to Chemonics, their past performance with CII will be assessed under this criterion.</p>	30 points
Total Points – Corporate Capabilities		55 points
Total Points		100 points

12. **Privity:** Please note that in submitting a response to this RFQ, the offeror understands that USAID is not a party to this solicitation and the offeror agrees that any protest hereunder must be presented—in writing with full explanations—to the Country Director, Emmanuel Le Perru, eleperru@chemonics.com and BusinessConduct@chemonics.com for consideration, as USAID

will not consider protests regarding procurements carried out by implementing partners. Chemonics, at its sole discretion, will make a final decision on the protest for this procurement.

13. **Terms and Conditions:** This is a RFQ only. Issuance of this RFQ does not in any way obligate Chemonics, the GHSC-PSM Project, or USAID to make an award or pay for costs incurred by potential offerors in the preparation and submission of an offer.

This solicitation is subject to Chemonics' standard terms and conditions. Any resultant award will be governed by these terms and conditions; a copy of the full terms and conditions is available upon request. Please note the following terms and conditions will apply:

- (a) Chemonics' standard payment terms are net 30 days after receipt and acceptance of any commodities or deliverables. Payment will only be issued to the entity submitting the offer in response to this RFQ and identified in the resulting award; payment will not be issued to a third party.
- (b) Any award resulting from this RFQ will be firm fixed price, in the form of a subcontract.
- (c) Subcontract may not be assigned, sub-contracted, or delegated, in whole or in part, by the Supplier without the written consent of Chemonics; in the absence of such written consent, any assignment to a third party is void.
- (d) No services or commodities may be supplied that are manufactured or assembled in, shipped from, transported through, or otherwise involving any of the following countries: Cuba, Iran, North Korea, Syria
- (e) Any international air or ocean transportation or shipping carried out under any award resulting from this RFQ must take place on U.S.-flag carriers/vessels.
- (f) United States law prohibits transactions with, and the provision of resources and support to, individuals and organizations associated with terrorism. The supplier under any award resulting from this RFQ must ensure compliance with these laws.

14. **Insurance and Services:**

The Offeror shall procure Defense Base Act (DBA) insurance pursuant to the terms of the subcontract for work activities as described in Section C. Failure to obtain DBA) insurance in accordance with FAR Clause 52.228-3. Workers' Compensation Insurance (DBA) and AIDAR 752.228 03, shall be considered a material breach and could cause this contract to be terminated for default/cause.

For purposes of this proposal, Offerors must calculate the costs of the DBA policy by applying the rate according to the nature of the work (general services, construction or security) for each USD \$100 of compensation to employees who are working outside of the United States.

DBA costs = (compensation / 100) x DBA rate

Remuneration means the salary of employees, plus recruitment incentives, differential payments, security payments, but excludes per diem payments, accommodation / housing / travel / education and other miscellaneous benefits.

Rate and Year of coverage of the USAID Policy General Services Construction Security

DBA Rate (2019-2020): For general services USD \$ 0.69, for construction work USD \$ 2.54 and for security USD \$ 5.37.

Example: For a technical assistance subcontract with a budget of COP30,000,000 in salaries, the DBA would be calculated: $(\text{COP}30,000,000 / 100) \times 0.69 = \text{COP}207,000$. While for a construction subcontract the DBA would be calculated: $(\text{COP}30,000,000 / 100) \times 2.54 = \text{COP}762,000$.

Contractors must apply for coverage directly to Starr Indemnity & Liability Company through its agent, Marsh McLennan Agency (MMA), using any of the following methods:

1. **Website.** There is a website with the option to print a PDF application form and submit it or complete an online application. The link to the website is:

<https://www.starr.com/Insurance/Casualty/Defense-Base-Act/USAID---Defense-Base-Act>

2. **Email.** An application form can be emailed to: USAID@marshmma.com

3. **Additional Contacts.** Contacts for Starr Indemnity & Liability Company and its agent, Marsh MMA are available for guidance and question regarding the required application form and submission requirements:

- Tyler Hlawati (Starr) tyler.hlawati@starrcompanies.com Telephone: 646-227-6556
- Bryan Cessna (Starr) bryan.cessna@starrcompanies.com Telephone: 302-249-6780
- Mike Dower (Marsh MMA) mike.dower@marshmma.com Telephone: 703-813-6513
- Diane Proctor (Marsh MMA) diane.proctor@marshmma.com Telephone: 703-813-6506

For instructions on the required application form and submission requirements, please refer to AAPD 22-01. Pursuant to AIDAR 752.228-70, medical evacuation is a separate insurance requirement for overseas performance of USAID funded subcontracts; the Defense Base Act insurance does not provide coverage for medical evacuation. The costs of DBA insurance are allowable and reimbursable as a direct cost to this Subcontract.

Before starting work, the offeror must provide Chemonics with a copy of the DBA coverage policy that covers each of its employees.

- a) AIDAR 752.228-70 Medical Evacuation Services (MEDEVAC) Services (JULY 2007) [Updated by AAPD 06-01].

(1) The Subcontractor shall provide MEDEVAC service coverage to all U.S. citizen, U.S. resident alien, and Third Country National employees and their authorized dependents (hereinafter "individual") while overseas under a USAID-financed direct contract. Chemonics will reimburse reasonable, allowable, and allocable costs for MEDEVAC service coverage incurred under this Subcontract. The USAID Contracting Officer through Chemonics will determine the reasonableness, allowability, and allocability of the costs based on the applicable cost principles and in accordance with cost accounting standards.

(2) Exceptions:

(i) The Subcontractor is not required to provide MEDEVAC insurance to eligible employees and their dependents with a health program that includes sufficient MEDEVAC coverage as approved by Chemonics.

(ii) The USAID Mission Director through Chemonics, may make a written determination to waive the requirement for such coverage. The determination must be based on findings that the quality of local medical services or other circumstances obviate the need for such coverage for eligible employees and their dependents located at post.

(3) If authorized to issue lower-tier subcontracts, the Subcontractor shall insert a clause similar to this clause in all lower-tier subcontracts that require performance by Subcontractor employees

TYPE	MINIMUM LIMIT
(a) Defense Base Act or equivalent for waived nationals per FAR 52.228-3 and 52.228-4. The coverage shall extend to Employers Liability for bodily injury, death, and for occupational disease.	As required by DBA
(b) Comprehensive General Liability Each Occurrence Combined Single Limit for Personal Injury and/or Property Damage	\$1,000,000 \$2,000,000
(c) Automobile Liability Combined Single Limit each occurrence	As per AIDAR 752.228-7 and \$1,000,000
(d) Other Required Insurance • Umbrella Insurance additive to (b) and (c) above	(b) \$1,000,000/ (c) \$2,000,000

15. Compliance with U.S. Export Laws

The Offeror agrees to comply with all U.S. export laws and regulations, including but not limited to: (i) the Arms Export Control Act (AECA), 22 U.S.C. 2778 and 2779; (ii) Trading with the Enemy Act (TWEA), 50 U.S.C. App. §§ 1-44; (iii) International Traffic in Arms Regulations (ITAR), 22 C.F.R. Parts 120-130.; (iv) Export Administration Act (EAA) of 1979 and the Export Administration Regulations (EAR) 15 C.F.R. Parts 730-774, (including the EAR anti-boycott provision); (v) the International Emergency Economic Powers Act (IEEPA), 50 U.S.C. 1701-1706 and Executive Orders of the President under IEEPA, 50 U.S.C. app. §§ 2401-2420; (vi) Office of Foreign Asset Controls (OFAC) Regulations, 31 C.F.R. Parts 500-598; and (vii) other applicable U.S. laws and regulations. As required, subject to Chemonics' prior approval for all exports or imports under the Subcontract, Offeror shall determine any export license, reporting, filing or other requirements, obtain any export license or other official authorization, and carry out any customs formalities for the export of goods or services. Offeror agrees to cooperate in providing any reports, authorizations, or other documentation related to export compliance requested by Chemonics. Offeror agrees to indemnify, hold harmless and defend Chemonics for any losses, liabilities and claims, including as penalties or fines as a result of any regulatory action taken against Chemonics as a result of Offeror's non-compliance with this provision.

Section 2: Offer Checklist

To assist offerors in preparation of proposals, the following checklist summarizes the documentation to include with offer in response to this RFQ.

- ☐ Cover letter, signed by an authorized representative of the offeror (see Section 4 for template)

- ☐ Proof of training and/or certifications associated with providing the requested security services.
- ☐ Company policies governing duty of care and/or that restrict services being offered to include policies on usage of firearms, licensing, and liability including copy of Escalation of Force or Use of Force policies.

Section 3: Scope of Work and Pricing Schedule

Section 3.A (1): Scope of Work:

Background

Chemonics Foundation Haiti under the USAID-funded Global Health Supply Chain Program – Procurement and Supply Management (GHSC-PSM) project in Haiti seeks a suites of security services in Port-au-Prince. Chemonics will issue an award to one company or organization. The award will be in the form of a firm fixed price subcontract and will include the services detailed below. The successful Offeror shall be required to adhere to the statement of work and terms and conditions of the subcontract.

- (1) Security assessments and analysis to include armed conflict, crime (including kidnapping), and civil unrest.
- (2) Dedicated and ad-hoc armed mobile security team (MST) details. Offerors will provide options for various configurations with armored vehicles at the specified B6 and B5 levels.
- (3) Crisis management support including air, land, and maritime evacuation services and supply drops.

The Offeror shall provide reports to Chemonics to assess operations in three areas of interest: armed conflict, crime (including kidnapping), and civil unrest. Additionally, working with the project security team, the Offeror shall provide armed MST services to transport Chemonics personnel while traveling within Port au-Prince. During periods of heightened security, the Offeror will provide crisis management support with evacuation options (air, overland and or maritime transport).

Ad-hoc Security Assessments

Travel Risk Assessment: As requested by Chemonics, bespoke report produced within 48-hours of receipt of the request to assess risk of travel to particular locations, and/or cities as directed. The report will assess risk to Chemonics' operations in three areas of interest: armed conflict, crime (including kidnapping and gang control areas), and civil unrest. The reports will also provide a bullet point brief of the pertinent issues considered to produce the provided assessment and indicate an overall risk rating for each trip. Assessments of extreme, high, moderate, low, or negligible risk to Chemonics' operations will be transposed into metric form on a scale of 1 (negligible) to 5 (extreme). The sum of these ratings will be provided as an aggregate indication of risk to operations in the area indicated. The assessment will include the following:

- The prevailing situation in the subject location
- An analysis of the planned movement, including recommended travel approach, operational profile, route selection, and other risk mitigation measures
- Guidance on accommodation (if overnight trips) and other local logistics like potential safe havens
- Guidance on information including local medical facilities and police contacts

Crisis Management Support Services

During emergency situations, the Offeror will work closely with Chemonics' Project Leadership Team, Country Security Director and the Home Office Security Management Unit (SMU) providing atmospheric information on the wider Haitian context and security situation. The Offeror shall provide various options for relocation and evacuation services.

- a. Air Evacuation – Offeror should provide options for an air evacuation (fixed wing or rotary) from Port-au-Prince to Cap Haitien, or Port-au-Prince to the Dominican Republic. Presented options should describe the Offeror's approach for air evacuation. All air

service providers utilized for air evacuation services must have required licenses and permits to legally operate an aircraft in Haiti and the Dominican Republic.

- b. Road/Overland Evacuation – Offeror should provide road options from Port-au-Prince to Jacmel and any other viable routes as identified by the Offeror. Presented options should describe the Offeror’s approach for road/overland evacuation including equipment to be used (e.g., all-terrain vehicles, snorkels, etc.).
- c. Maritime Evacuation – Offeror should provide maritime options from Jacmel to the Dominican Republic (this leg is a follow-on service from the overland option from Port-au-Prince to Jacmel). Presented options should describe the Offeror’s approach for maritime evacuation including equipment to be used (e.g., boat, proper safety equipment such as life vests, etc.).
- d. Supply Drop – Offeror should have the ability to provide and deliver emergency supplies such as water, dry rations, medical supplies, etc. to the Chemonics’ Office/Warehouse, expatriate/third country national residences while in hibernation, or any locations within Petionville, Bourdon, Peguyville, Pacot, Puits Blain, and Vivy Mitchell as requested by Chemonics.

Armed Mobile Security Services (Dedicated)

- 1) *Mobile Security Team Option 1 (Local National Protection Security Team Leader and B6 secondary/backup vehicle)*: Armed mobile protective security detail (PSD) under the supervision of the Offeror to transport Chemonics personnel while traveling within Port au-Prince and other locations in Haiti. This option will be utilized in areas where the threat assessment indicates the suitability for such configuration. All threat and risk assessments should be approved by Chemonics’ Security Team. The dedicated MST will be on-site at the GHSC-PSM Haiti warehouse and office each day. Shifts are based on a 12-hour shift. For days when no road moves are needed the MST will be conducting trainings or preparing for future road moves. The armed vehicle escort will include:

Lead Vehicle

- One armed Local National Protection Security Team Leader (LPSTL)
- One LN armed driver
- B6 (minimum) armored vehicle (AV). Vehicles must meet B6 armored level and have certification evidence

Secondary/backup vehicle

- One armed LN Protection Security Team Member (TM)
- One LN armed driver
- B6 (minimum) armored vehicle (AV). Vehicles must meet B6 armored level and have certification evidence

Other requirements

- Vehicles must be no later than 2015-year model with service history and have a mileage under 80,000 km. Vehicles no older than 2013 model may be considered if the vehicle has undergone certified maintenance
- Tracking and monitoring from the Offeror’s own Operations Room utilizing a platform system with a panic alert similar to those of Track 24, Sicuro or equivalent

- All legal identification cards badges, registration documents, licenses, permits, movement support letters (if required), etc. necessary to provide unimpeded access to the destination and back to the point of origin.
- One medical trauma bag per vehicle (see Annex 2 for suggested list of contents).
- All weapons carried by Offerors armed staff shall comply with the Weapons Specifications detailed in Annex 1.
